

9th Annual Conference of Chandigarh Chapter of IRIA

11th & 12th December 2021

WELCOME ADDRESS

Dear Colleagues,

On the behalf of Chandigarh chapter of Indian Radiological & Imaging Association , it is our pleasant privilege to invite you to the 9th annual conference of Chandigarh chapter of IRIA to be held at auditorium , level 7, E block- GMCH, Chandigarh on 11th and 12th December . Chandigarh Chapter of IRIA has entered the ninth year since its inception and we are thankful to all the former office bearers who have taken the chapter to great heights in this short span. It is the endeavour of the present executive committee to consolidate upon the great work done by our predecessors.

This Annual Conference is a theme meeting on “Cardiothoracic and Abdominal Imaging.” The scientific Programme is formulated keeping the needs of residents and it will give an excellent opportunity to the practicing radiologists to revisit and brush up their skills.

There will be didactic lectures by eminent international and national faculty. The Organizing committee looks forward to your active and enthusiastic participation in this meeting. We assure you an academic feast coupled with the warm hospitality of the people of Chandigarh

Dr. Paramjeet Singh
